Vetting submitted material:

Our members and staff will rank the truth or falsity of any story we publish on our site. For now please use the comment section to rank on a scale: 1 (accurate), 2 (some truth), 3 (true & false = meaningless) 4 (doubtful) and 5 (Bullshit).

If you know it's untrue don't liable or slander anyone.

Don't re-post other people's work.

Our purpose is to empower the storyteller. We're inviting you to upload your stories that need to be shared. We're looking for the issues and the people behind the movements working to correct them.
